

Bicycle Parking in Complex Building at Ningyo-cho, Chuo-ku

Location : Chuo-ku, Tokyo
Completion : October 2010
Owner : Chuo-ku

Installed ECO Cycle in complex building for the first time as PFI business

The first business example in Japan where ECO Cycle was installed as a PFI business. Built within a public facility complex, serving as a public bicycle parking lot for people using Ningyo-cho and Suitengumae Stations nearby. An example of constructing the unit within the limited space of 16m × 18m under the ground consisting of soft Yurakucho strata.
